

WINTER FLYER 2013

Ferret Association of Connecticut

www.FerretTreasures.com

Welcome to our expanded winter flyer! While many of our regular items are on the Ferret Treasures website, included here are some specials as well as items that are available in limited supplies. All are great gifts for ferrets & the people who love them. And they help support the work of the Ferret Association of CT, a nonprofit working to better the lives of ferrets both locally and nationally.

Thank you for your purchase & your support.

Plush Toys: Not sold elsewhere in the US! We imported these wonderful ferret plushies from England. Ferrets & polecats are common in the UK countryside. **Polecat** (shown left) is the wild cousin of our ferrets, featuring the traditional sable markings. He's approx. 14" long. **Black Footed Ferret** (below left) looks just like a kit! Just shy of 6" long plus a 2" tail and 4" high, he's adorable. For a little extra, you can add a sleep pouch that fits him perfectly. (Colors for pouches are varied pastels; please note these are neither big enough nor safe for REAL ferrets.)

Polecat Plush: \$20.00 BFF Plush:\$10.00 BFF Pouch: \$2.50

Statues: Mini porcelain treasures handpainted in Thailand. Each measures 1 3/4" long and 3/4" tall. **Black Footed Ferret** (top right) has the dark mask, feet & tail of the endangered species. **River Otter** (bottom right) was just too cute to resist—one of their "rescue" line, he's holding up one paw with a tiny red bandage on it. Each comes in a little plastic cube for protection, and can gently be removed from their cardboard base. Not suitable as toys for young children. *Please specify BFF or Otter.*

Statue: \$5.00

Caps: 100% cotton baseball caps in two different styles, with a badge heat-pressed for long wear. One has the FACT logo, the other has the logo of 1FerretsTreasures, a handsome pewter ferret. Each has Velcro to adjust for size. The **FACT Logo** cap is available in white, black or khaki. **Ferret Face** cap comes in tan, black or khaki. *Please provide a 1st & 2nd choice of colors and make sure to specify which badge you prefer.*

Cap: \$9.00

Purse/Backpack Charms: A new variation on our popular, handmade beaded creations. These would also make a unique zipper pull. Glass, gemstone & metal beads hang from a 3/4" heart design lobster clasp. Each has an extra heart bead to quietly tell all you LOVE ferrets! At the bottom is a metal, slightly 3D ferret charm. Short (shown below) is 3" long; Long (shown left) are 4". All metal parts are nickel-free metal alloy. Each is different; if you need a specific color we'll try to comply.

Short Purse Charm: \$4.00 Long: \$4.50

Bookmarks: Not everyone has switched to e-readers! We made these a couple years ago and they were popular gifts. 5" long "Tibetan silver"—a non-nickel metal alloy—are stamped with a floral or a star/sun design. We've added 3 beaded drops, one which also has the ferret charm shown above. You place the curved bookmark inside the book, while the hook & bead drops fall outside the binding. Each is different and handmade here at the shelter. *Please specify Stars or Flowers.*

Ferret Paper Model An unusual little item perfect as a stocking-stuffer. He's got the cutest, quizzical expression. Heavyweight paper ferret ships flat for you to construct in 3D. About 4" long and 2" high and wide.

Paper Model: \$4.00

Polecat Pins: Also imported from England, where they were made as a fundraiser for wildlife protection. Enamelled pins are slightly under 1" long with a single tack clasp. They work well as a tie tack or a lapel pin.

Polecat Pin: \$2.75

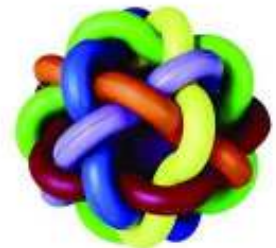

Furry Rattles: No fabric scrap gets wasted here! We make these from leftover faux and berber fur. Sizes vary—anywhere from 3" across x 8" long to 4-5" square. Poly stuffing is carefully wrapped around a plastic film canister filled with rattly dried beans. Even if it came apart, everything would be ferret-safe, but we've yet to have one break open at the shelter. Machine wash & dry.

Rattle: \$2.50

Nobbly Wobbly: One of the best ferret toys ever! Hard rubber bands circle a bell, offering a plaything for both ferrets who love rubber and those that love noise. These ferret-sized ones measure about 2" in diameter, easily carried around from hidey-spot to hidey-spot. Dishwasher safe, too! Please note: While safe for most ferrets, really determined chewers may damage them. Always monitor all toys!

Nobbly Wobbly: \$3.00 Two for \$5.50

Hammocks—Ours feature a full 14" x 18" sleep area; overall size is 18 x 22" including hooks. Poly suedecloth on one side, faux fur on the other. They can accommodate several ferrets (the center shelter photo actually has 9 (!) ferrets piled on! These will work in most cages and fit great in Ferret Nations. Fully washable. Most are dark colors with geometric pattern backings. We also have some with solid color backs; please just specify Solid on the order form if that's your preference. Fur colors are designed to coordinate: most are medium to dark colors.

Discount Hammock—We have a limited supply of hammocks the same size but less sturdy (shown above right). One side is suedecloth; but the lounge side is a thinner, nubby berber fabric. Suede backs are all solid colors. Two colors available—*Please specify black or cream.*

Regular Hammock: \$13.00

Discount Hammock: \$10.00

Furball: Ferrets love these! We haven't featured them for a while because the old sewing machine balked at the tricky stitching. Our investment in a new one means furballs are back in production! Exterior poly suedecloth is bonded to faux fur inside a football-shaped snugly (shown left). You'll have to pull your ferrets out! Available in three sizes: Small fits girls & smaller boys. Medium is better for bigger ferrets. And Large will fit at least 2 ferrets (or 1 hob), but be warned many will refuse to share! Machine wash/dry and handmade onsite. *Sorry; no color choice.*

Furball—Small: \$ 9.00
Medium: \$12.00
Large: \$15.00

Sleep Sacks: Our bestseller! We use quality fabric to create reversible, lavish pouches that are sturdy, long-lasting, and washable. Sizes vary but are at least 14" square. Available in either Faux Fur (shown below right) or Berber (nubby, lighter weight) fabric (shown below). Machine wash & dry, however we recommend low heat settings for the longhaired furs. Handmade at the FACT shelter. *Please specify Faux Fur or Berber and Dark or Light color.*

Fur Sleep Sack: \$12.00

Berber Sleep Sack: \$10.00 Special! 2 Berber Sacks for \$17.50

Fringe Frenzy Closeout—Once upon a time we got a deal on a LOT of purple fleece fringe. So we created a double-sided polar fleece blanket and adding fringe all the way around. Each blanket measures about 22-24" square plus a few inches of fringe. Some are solid and some patterned, but the main theme in all is: *purple fringe!* We're sure the ferrets don't care about the fringe but as you can see, they look downright adorable peeking out from it. Machine wash & dry.

Fringe Blanket: \$6.50 each 2 for \$12.00

Holiday Gift Pack—A one-size-fits-all-ferrets combo, popular as gifts for shelters. Included is one Polar pouch (14" square pouch of double sided fleece shown left), a coordinating Snuggle Blanket (24" x 42" cotton flannel blanket shown right) and a toy. Machine wash & dry. A great deal! *Please specify Everyday, Christmas, Boy or Girl prints.*
